Class Rules and Expectations

At beginning of the year, I sit down with my students and we make a set of 5 to 7 rules together. This way, they feel they have contributed to their classroom environment.

Some rules that I keep are

- Respect others.
- One person speaking at a time.

The expectations that are required of all students are as follows:

- Walk in the school.
- Be quiet in the hallways.
- Try your best.
- Do your work.
- Ask for help.
